PRESIDENT'S MESSAGE

With the National Meet in Wisconsin only two months away, we all need to be making our plans. If you are going to attend the National and have not yet sent in your registration form, you need to do this soon as possible. The hosting chapter can plan a better meet if they know how many to expect.

The Board of Directors has selected Denver, Colorado for the 1987 National Meet. The Mi-Hile Chapter was the only chapter to ask about hosting the 87 meet after we requested for a host chapter in the newsletter. This request was granted early so they could start making plans.

We now have two more new chapters in the making. One in Indiana and the other in Northern Ohio. If you live in one of these areas, check your newsletter for the name and address of the person to contact and begin giving your support to these chapters.

I did not get to make it to either of the Regional Meets in Missouri and Georgia. I did get a call from Georgia and heard they had a great meet.

There is a meet in Colorado this month. If you live in the Colorado area you should try to attend, and if you do not live in the area, they have motel accommodations listed in the newsletter. Hope you have a good Regional Mi-High Chapter.

With the National Meet coming up, it is time to start thinking about elections and the National business. If you have any requests for the Board, be sure to send them to me by August 1, 1986.

See you in Wisconsin!

Roy E. Sword, *Pres. FCA*

EDITOR'S NOTE

Summer is here and it is a great time to get those Falcons out for a drive or car meet. If you have not really thought about going to Wisconsin in August, now is the time to think about all you will be missing. Even if you will have to drive most of Friday night and be there for just Saturday — remember that is the "Biggest day" and you meet a lot of genuine Falcon lovers. You would readily agree that you are in that class of great lovers so check those tires and start packing. It's guaranteed to be lots of fun and we'll plan to see you there!!!

Bill and Kathy Woodell, *Editors*

MEET REPORTS

The Mid-America Chapter

The Mid-America Falcons had their monthly meeting Fri., May 2, at Santa Fe Bar-B-Q in Olathe, KS. We elected new officers: Pres. Ricky Dilks, Vice Pres. Glen Vandierendonk, Secretary Tammy Dilks and Treasurer Phil Warren. We also chose to elect four board members, which will plan picnics, meets, etc. They are Jim Hatcher, Evelyn Vandierendonk, Hoyt McDade and Doug Hughy.

The Mile Hi Chapter

The Mile Hi Chapter met at Wyatt's Cafeteria, Bear Valley Shopping Center, April 26, 1986. 22 members and one guest were present. All officers and board of directors were present. A discussion was made of the upcoming Heritage Square Show. Our guest speaker was Jim Gillispie of Jim's Trim & Upholstery. Andy Botkin, son of Tom Botkin, showed off being the proud owner of a 65 Sprint HT, his first automobile. The new chapter logos were shown and the members voted to use both designs as they are similar and each has its own unique style and applications.

The Founders Chapter

The Chapter met at 7 p.m., Saturday, May 10, at Frankie's Cafeteria in Little Rock for dinner. 14 members were present for the rainy evening. We discussed our next meeting to be held in June as an ice cream social at Roy & Pat's. Several members expressed their hope to attend the regional meets in Missouri and Georgia. Members were reminded to get their reservations in for Wisconsin.

The Southeast Chapter

The Southeast Chapter now has 58 members. On April 19 and 20 we had a yard sale and sold \$438.00 to help our treasury. A group of our members attended the car show and swap meet at Charlotte Motor Speedway in April.

The Mason Dixon Chapter

If you missed the April 20 meet in Seaford, DE, held by the Mason Dixon Chapter, you missed a beautiful day and the 23 Falcons that were brought. We had a total of six different states represented (DE, MD, VA, NJ, NY and PA). We had 13 sedans, 5 conv., 1 Ranchero, 3 Station wagons, and 1 1963 Econoline all dated from 61 to 70. Plaques were handed out to each owner. Two people received a plaque for longest distance: Mrs. Ethel Hudson from Blackstone, VA - 240 mi. and Mr. Frank Servas from Floral Park, NY - 230 mi.

Proposed New North Coast Chapter

The proposed new Northern Ohio chapter met May 18. 8 were present and officers were elected. The chapter is being submitted to the Board of Directors of the FCA for approval as the North Coast Chapter.

DON'T MISS OUT ON ALL THE FUN, FELLOWSHIP AND FALCONS!

Handy registration forms for the convention hotel and entry fee, swap spaces, t-shirts, banquet tickets and unique riverboat ride can be found in this issue of *The Falcon News*.

Parents - looking for a dependable babysitter while you take the riverboat tour and/or go to the banquet? In order to have enough sitters available, we are requesting advance notice with your registration. Please indicate the evening(s) you would like a babysitter.

Early registration will assure room reservations at the Guest House Inn and allow your host chapter to consider and review entries by class and possibly split larger groups into additional judging classes.

Many of those already registered are planning pre- or post-convention vacations in wonderful and beautiful Wisconsin. Remember, you can request a copy of **Wisconsin-Auto Tour Escapes** by calling or writing to the Wisconsin Dept. of Development, Division of Tourism, P.O. TECHNICAL TIPS

How to get gasoline into your tank and not all over the rear of the car and the ground. (1961-65 Falcons)

After a \$1,600 paint job on my 1963 Futura Sports convertible, I carried a jug of water and chamois to clean the rear of my car every time I put gas in the tank with nozzles with bellows. This could not go on. I went to a wrecking yard and got a filler neck from a Chevy pick up (gas tank behind the seat) and a filler elbow from a 1963 Falcon. I removed the original filler elbow in the trunk, and cut the other elbow off and installed back in the panel. The original cap is now a dummy. The Chevy filler neck fit snug into the gas tank spout joined with hose and clamps. Since the tank is vented, I use a non-vented gas cap so as not to have fumes in the trunk. The filler neck stands up in the trunk about 8 inches, takes up no more room than the elbow did, plus the gas cap is now locked in the trunk, and there are no drips anywhere.

Don Donnelly, Oakland, CA

TECHNICAL HELP WANTED

I am restoring a '64 Squire wagon, and desire information concerning any currently available light walnut woodgrain that would closely match the original. Advice for restoring the fiberglass woodrails would also be appreciated.

Frank Servas, Jr., 83-44 259th St., Floral Park, NY 11004

I want to put a 64-65 Falcon body (2 DR Sedan or 2/4 DR Wagon) on an early Ford Bronco (66-77) chasis. I would like to know if anyone has done this already and what problems or suggestions that they could make.

Tom Johnson, P.O. Box 10292, Green Bay, WI 54307 (414) 437-1849.

TECHNICAL TIPS

Instrument dials may be restored to looking factory new by carefully removing the instrument panel, masking off with paper and tape, everything but the dials and spraying them with a few coats of Ace Hardware No. 300 Rocket Red Florescent Spray Paint or Illinois Bronze "DAZ-L" No. 830 Rocket Red.

I have found a near perfect match for my '64 vinyl red upholstery. It is "Mar-Hyde" brand No. 2118 Bright Red Vinyl Color Spray. Do not mask off your old chrome plated plastic trim on the door panel; the tape will pull off the chrome leaving bare plastic. Use a small brush and some Vaseline or silicone grease on the chrome plastic; wipe off after spraying vinyl dye on door panels.

Rattling or hard to roll windows usually indicate window roller problems. Remove door panel and check if all plastic window rollers are installed; check if rollers can roll with fingers. Window regulator roller shafts often rust if not lubricated sufficiently. Remove roller, emery paper off rust, lubricate roller with silicone grease (it is expensive, but doesn't dry out) and re-install; any further rattles indicate window channel felt must be replaced.

Materials and instructions for replacing radio speaker grill cloth and hardtop/convertible rear window channel felt are available from me at cost, write with SASE your interests.

Boyd Breyer, 16934 Townes Rd., Friendswood, TX 77546.

MILE-HI CHAPTER IS IN TRI-STATE AUTO SHOW

Here is a picture of our cars which were in the Tri-State Auto Show sponsored by Old Car Council of Colorado. Starting with the bottom car and working up: 1964 Conv - Rich Adkins; 1967 Sport Coupe - Fred Pfaff; 1963 Sprint H-T - Bill Clements; 1963 Futura Conv - Joe Hennebrink; 1965 Ranchero - Ray Roberts; 1964 Sprint Conv - Dave Sparks (Paul Garrigan's Ranchero was on the main floor and judged by itself.

The display on the floor was copies of car magazines which had Falcons in them.

Bill Clements, Denver, CO

FAVORITE FALCON

Here is a picture of my 1963 Falcon convertible. I have owned this car for two years. I purchased it from a private party in Yakima, WA. It had been in storage for several years, but the previous owner had started it quite often. When I purchased it, the odometer registered 67,618 orig. miles. The car has 4-sp Dagenham trans. and a 170 cubic inch 6-cylinder engine. The mileage is excellent, around 22 to 25 miles per gallon.

I enjoy driving the car very much and receive many compliments. I hope to go to all the Falcon meets in my area this summer.
